Published Monthly by the Harrisburg Section

Our President's Message

Here we are into October already. The leaves are turning magnificent colors and the temperature is starting to turn cold. It will be soon time for my favorite holiday, Halloween to be upon us. You can always tell when October hits because the District 8-0 Fall Ball arrives with its cold and rainy weather signaling the end of golf season for most fair weather players. Time for my caddy, a.k.a. my husband, to clean up my clubs and put them away for the season.....

Speaking of golf, there was an oversight in my message last month. I failed to recognize the winning foursome from the Hawk Lake course at our ASHE Golf Outing in August.

The winning team there was Jack Cole, Mike Foutz, Tom Weikert and Roy Reichard. Please accept my apology for my bloneness in not recognizing your win!

Only one month into our calendar and ASHE has been in full swing with several very successful events! We kicked off our 2006-2007 schedule with our Annual Fall Picnic held in conjunction with ASCE and PSPE. Thanks to Steve Koser and his band of helpers, the picnic was very well organized and lots of fun! Steve brought back to the menu this year, the traditional seafood that had been served in the past. Steve would like to thank the following people for all of their help: Brehan McBride, Nick Brien, Will Cameron, Karen Corbo, Donna and Tom Paul, Drew and Ginny Bitner, Ed Baumgardner, Two Gals Catering, Allison Hill Lions Club and his family, Stacy, Kelvin and Bob Koser. We were also honored to have ASHE National President Rich-

JBC Associates, Inc.

Orth-Rodgers & Associates, Inc.

Traffic Planning and Design, Inc.

ard Prentice in attendance at our picnic along with quite a gathering of ASHE Harrisburg Past Presidents. It was really great to see everybody and to catch up with them!

We also held six tours of the Susquehanna River Bridge Project. Thanks to Glenn Peterson and his staff from Parsons for accommodating our group,

see "President" on the next page

(Detach and return by Wednesday, November 1, 2006, at 4:00pm)

Speaker: David R. Zangrilli, Urban Engineers, Inc.

Program: Untying the Knots: SR30 Reconstruction in Chambersburg

I will be attending the November 6th meeting of the American Society of Highway Engineers-Harrisburg Section.

Name _____ Firm _____

Guest Name _____ Guest Firm _____

Contact: Karen Corbo, c/o McCormick Taylor, Inc. • 75 Shannon Road, Harrisburg, PA 17112 • Phone: 717-540-6040 • Fax: 717-540-6049 • kscorbo@MTmail.biz.

Guests are Welcome!

"President" from Page 1

The Pennsylvania Turnpike Commission, Kraemer/Wagman Joint Venture and to several of our ASHE board members who chaperoned the tours. Unfortunately my schedule was so full that I wasn't able to do the tours but I understand that it was wonderful to see the progress of this truly amazing project. We were very fortunate to have been able to tour it both this fall and last.

Our Younger Member Happy Hour on October 5, 2006 was a lot of fun and well attended by our younger members and a few of the young at heart. It was really enjoyable getting together with our colleagues for a little socializing. A few of the new members were amazed that I am the President of this fine organization, so I would like to let them know that, yes it is really true! I would like to thank new Board Member Dave Snively for organizing this event. It was a good time so try and attend the next ASHE happy hour!

We are extremely pleased to announce that our Section, along with the Altoona Section, has nominated our outgoing ASHE National Regional Four Director, Drew Bitner to the position of ASHE National Second Vice President. We also have nominated Tom Morisi from the Altoona Section, to the position of District Four Regional Director. Best wishes to both Drew and Tom on the upcoming election.

Halloween is coming.

Beware of ghosts, goblins, and all the other Trick-or- Treaters.

We have our first trash pick-up of the year scheduled for October 28, 2006 which has been organized by our new Adopt-A-Highway chairperson and Section Secretary, Robert Hendricks and Steve Koser who stepped down from chairing this committee when he became our 1st Vice President. Congratulations to Robert and his new bride and ASHE member Jennifer Dormer who were married in August. We wish them much happiness!

Our ASHE website has recently been updated thanks to Jere Sweigart and Linda Smith, who have been doing an outstanding job keeping up with my many revisions and additions. Please visit the site often to be sure that you are up-to-date on the happenings of our Section. We have added a list of our Past National Presidents; a President's Message and updated the Sections listing. In the future, we will be adding a Gallery section where we will be able to load photos from our events.

Our first dinner meeting will be on November 6, 2006. The speaker that night is our very own member and past President, David Zangrilli. Knowing Dave, it will be an interesting and exciting presentation! I personally look forward to heckling him for a change....

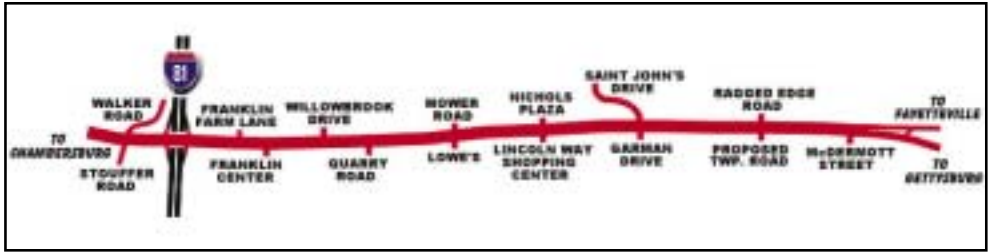

I want to wish everyone a very happy Halloween. May it be a safe, but bewitching one for you all!

If anyone has any suggestions or would like to discuss ASHE, please contact me at 717-540-6040 or kmweiser@mtmail.biz. I am listening....

Speaker and Program

Dave Zangrilli, Urban Engineers, Inc.

Dave Zangrilli has more than 33 years experience in highway and heavy construction. Dave has been with Urban Engineers for five years. He worked on the I-81 reconstruction in Harrisburg as a Scheduler for a year and a half. Since then he has been Construction Manager on the PA Route 283 Reconstruction in Dauphin County, the Fruitville Pike Bridge in Lancaster, and the US Route 30 Reconstruction in Chambersburg. He has also managed four projects at Capital City Airport for the Susquehanna Area Regional Airport Authority.

He started his career as rodman on a survey crew, and has held positions as office engineer, estimator, superintendent, project manager, marketing manager, and construction manager. He has previously worked for S. J. Groves & Sons, G.A. & F.C. Wagman, and Eichelbergers, Inc.

He has been active in the Harrisburg Section of ASHE since 1976, and served as President in 1989-90.

Dave has been active in the Harrisburg Section of ASHE since 1976, and served as President in 1989-90.

Untying the Knots: SR 30 Reconstruction in Chambersburg

Traffic on US Route 30 east of Chambersburg was in knots. With increased commercial development along the road, the knots were constantly getting tighter, especially on weekends and during the holiday shopping season.

In early 2004, PennDOT District 8-0 awarded a \$27 million contract to Hempt Bros., Inc. of Camp Hill. The contract included complete reconstruction and widening of 2.7 miles of US Route 30, along with widening and/or overlaying an additional 0.7 miles. Hempt Bros. replaced all of the storm drainage and signage, upgraded traffic signals at eight intersections, and added three new traffic signals.

Getting the project underway presented numerous challenges to the project team. There were utility conflicts which could not be completed until buildings were demolished and some commercial signs removed. Unanticipated hurdles, such as the discovery of asbestos-based abandoned conduit, added to the problems that the Department and Hempt Bros. had to overcome.

In spite of the known and unknown obstacles, Hempt Bros. and the Department worked together to complete the project on time.

ANNOUNCING ...

Orth-Rodgers & Associates -

Immediate openings in Mechanicsburg office of leading transportation engineering consulting firm. Experienced engineering professionals needed for the following position:

HIGHWAY DESIGNER - to work on all types of highway projects. Entry level to 5 years of experience in PennDOT and PA Turnpike highway design is desired. Microstation experience and SelectCAD experience required. BS in Civil Engineering required. EIT certificate is desirable. Excellent work environment, compensation, benefits package and career growth. EEO M/F

For immediate consideration and interview, e-mail cover letter and resume to dbadali@orth-rodgers.com or fax or mail to: Douglas V. Badali, PE, Orth-Rodgers & Associates, Inc., 4999 Louise Drive, Mechanicsburg, PA 17055, Fax: (717) 691-9092

Greenhorne & O'Mara, Inc. is a national, full service engineering consulting firm, with 15 offices and over 650 employees who have provided solutions in the areas of general civil, transportation, environmental, water resources, and hazard mitigations and security for more than 56 years. We are currently hiring for the following positions:

Project Director (Job ID #636) / Senior Project Manager (Job ID #784) (Highway Design),

The Mechanicsburg, PA office of G&O has an opportunity for a senior level candidate with a Pennsylvania P.E. registration and 10+ years experience in highway design with PennDOT and the PA Turnpike Commission. Must have strong industry reputation; track record of delivering projects on time and within budget; and experience mentoring/managing junior staff. Experience with MicroStation or AutoCAD and GEOPAK or InRoads a plus.

Engineer III (Job ID #826) (Structures),

The Mechanicsburg, PA office of G&O has an opportunity for a Structural engineer with a Bachelors Degree in Civil Engineering and a minimum of 5 years experience in bridge/structure design. P.E. required. As a member of Structural Design Team, this individual will perform structural design analysis and detailing of bridges and/or transportation structures, and the preparing of final project documents such as plans, design calculations and special provisions, bridge inspections, assessments and preparation of reports.

Resumes must include Job ID number. Apply online at www.G-and-O.com or send or E-mail resume to: Mike Bougher, P.E., Greenhorne & O'Mara, Inc., 5000 Ritter Road, Suite 102, Mechanicsburg, PA 17055. G&O offers competitive salaries and benefits, including medical, dental, vision, paid vacation, sick leave, holidays and 401k profit sharing. We conduct pre-employment background and drug tests. EOE/AA/M/F/H/V

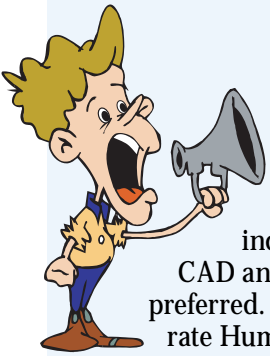

MACKIN ENGINEERING COMPANY is a medium sized, family-owned firm that has provided consulting engineering and planning services since 1960. Mackin seeks to hire qualified individuals in search of a firm that will value their skills, respect their individuality, and promote opportunities for advancement from within. Valuing the contributions of a diverse workforce, Mackin is an Equal Employment Opportunity employer without regard to race, religion, sex, age, color, disability or national origin. Mackin's Harrisburg office has the following openings:

Highway Project Manager - 6+ years progressive experience in design and management of PennDOT and/or PA Turnpike highway projects with emphasis on reconstruction, safety improvements, betterments, realignments, intersection upgrades, and bridge replacements. Must be able to coordinate multiple concurrent projects and communicate effectively. BSCE, hands-on design and CADD experience is required. PE highly desirable, but significant experience could substitute.

Highway Engineer/Designer - BSCE, 0 to 4 years experience on various aspects of highway projects including geometric design, traffic control, storm water management, erosion control, quantity calculations, CADD, and plan development. Must have good verbal and written communication skills.

Send resume or email to: Kenneth R. Nadler, P.E.

175 Limekiln Road, Suite 300
New Cumberland, PA 17070
knadler@mackinengineering.com

ANNOUNCING CON'T.

Roadway Design Engineer

We are currently seeking a Roadway Design Engineer to join Lochner's fast growing Harrisburg office. The ideal candidate must have a BSCE and a minimum of 7 years of experience in roadway, highway, and transportation design. Knowledge of road design, grading, and drainage layout is required. The individual must have strong technical abilities and must demonstrate proficiency in the utilization of AutoCAD and Softdesk LDD and/or Microstation and Inroads. PE license and PENNDOT/Turnpike experience is preferred. This is a great opportunity to work on small and large scale projects. Please contact Lochner's Corporate Human Resources at HR@hwlochner.com or apply online with a copy of your resume and project history.

Structural Engineer

We are currently seeking an experienced Structural Engineer for the Harrisburg, PA office. The ideal candidates will have a minimum of 10 years of experience in the design of transportation structures, preferably with PENNDOT/Turnpike project experience. A working knowledge of PennDOT LRFD Structure Design Programs, Microstation, STAAD, and Recol are preferred. A Pennsylvania PE is required. Apply online or forward your resume directly to HR@hwlochner.com.

PLEASE HELP ASHE REDUCE OUR COSTS

Last year ASHE Harrisburg paid over \$1100 for the printing and mailing of 8 editions of the Profile to over 50 members. If you are still receiving the Profile by mail, but could receive it electronically, please send your e-mail address to Jenni Woodworth at jwoodworth@pennoni.com.

September's Tour: Susquehanna River Bridge Project

See www.asheharrisburg.org/gallery.htm for more photos.

2007 Annual Photo Contest

INTRODUCTION

- Contest eligibility is open to members and friends of the American Society of Highway Engineers (ASHE) Harrisburg Section.
- There is no entry fee required and there are no geographical limits to this contest. By submitting a photograph for this contest, you are granting permission for the ASHE Harrisburg Section to use, duplicate, and distribute a copy of this photograph in any form (electronic or otherwise) as deemed appropriate.
- Roadways, bridges and tunnels are considered parts of highways. We encourage contestants to submit photos of interesting highway features from sites in Pennsylvania, although entries from anywhere in the world are welcome.

JUDGING

- Entries will be judged at the February 5, 2007 dinner meeting. First, second, and third place awards will be given. The winning entries will be displayed at the American Society of Highway Engineers mall display during Engineers Week. Awards will be presented to the winners at our dinner meeting on April 2, 2007.

RULES

- All entries should be post-marked by January 22, 2007 and must be received by no later than January 29, 2007 to be eligible for judging.
- Each contestant may submit only **ONE** (1) photograph, which must have been taken by the contestant. All entries must be 8" X 10" prints. Original slides or negatives will not be accepted. Black and white or color photographs are acceptable in this competition. The contestant's name, address, daytime telephone number and photograph title must be written clearly in ink on the back of the photograph.
- All entries must be accompanied with a brief title (7 words or less) and description (50 words or less) of the highway, bridge or tunnel in the photograph; this description must include the name and location of the highway facility and a brief explanation of any construction or maintenance activity. This write-up must also be e-mailed to the address listed below.
- Contestants should mail or deliver entries to:
Jenni E. Woodworth, P.E.
c/o Pennoni Associates Inc.
431 Railroad Avenue
Camp Hill, PA 17011-5602
Email: jwoodworth@pennoni.com
- Entries will be available for pickup at the April 2, 2007 dinner meeting. Late or mutilated photographs are not eligible and will not be considered. The Chairperson's determination regarding late or mutilated photographs shall be final.

QUESTIONS?

- Please contact our Photo Contest Chairperson, Jenni Woodworth at (717) 761-3524, x3724 or by e-mail.

ENGINEERING SCHOLARSHIP

ELIGIBILITY:

- US Citizen or Permanent Resident Status
- Enrolling in 4-year college program for Bachelors degree in engineering
- Receive scholarship once
- Submit SAT scores and high school transcripts
