President's Message

This is my final President's Message, and I am amazed at how quickly my year as president has gone. This has been a great year, and we have accomplished several tasks due to the outstanding membership of our chapter and those that served with me on the Board. I am honored to have served as your President for the 2001-2002 year. Truly, it has been a great pleasure. I would like to thank the members for providing the opportunity to serve as President of this excellent organization. I was blessed with a creative board that is always trying to improve on events which equates to increased attendance and membership both of which is good for the chapter.

John A. Derr

As is customary, I would like to summarize the accomplishments and goals for the Section. This year's goals focused on maintenance of membership from previous year's initiatives and communication/outreach programs to reach new and existing members. Regarding maintenance of membership, I think we continue to offer successful programs that make ASHE-Harrisburg an exciting and interactive chapter. These programs and initiatives have resulted in over 164 new members during the last three years. Our goal was to continue to make ASHE an exciting organization to maintain our current membership and attract new members this year. Over that last several years, in addition to our monthly dinner meetings, we have added an annual late summer AHSE golf outing, which was sold out last year. As a "heads-up", since this is the last profile, the ASHE golf outing is scheduled for August 2, 2002.

In the spring, we continue to hold the annual Monte Carlo/Auction Night for local charities. This year's event to be held at the end of May is the 2nd annual. In addition to the ASHE/PSPE/ASCE Annual Seafood Picnic and Casino night scheduled in September, we added ASHE baseball evening with the Harrisburg Senators, which was a huge success with over 100 participants. All of these events whether maintained from prior years or established this year have been improved as part of our goal.

Our second goal focused on communication and outreach in the electronic age. The website has been a great success and good tool to let our members and others know what is going on with ASHE especially for those who lose the paper copy of the PROFILE. As the year progressed, we increased communication to our members by obtaining email addresses from as many members as possible. This enabled us to notify members of upcoming events. We also started to send the Profile by email thereby saving printing and mailing cost to the chapter.

I want to wish Drew Bitner good luck as he takes over as next year's President. Drew did an excellent job as First Vice President, especially with the speakers and the dinner meetings. While all of the board members did a great job in making this year a success and reaching our goals, Drew has authored several of our new initiatives, and I am sure he will take the Chapter to a higher level next year. I offer my support to Drew and next year's board as they set and achieve their goals for 2002-2003.

Thank you again for your support of the ASHE Harrisburg Chapter. I truly enjoyed the year as your President. I am proud of what we as a chapter accomplished this year, and I look forward to supporting Drew for another great year as Past-President.

Membership Goal

One of the 2001-2002 goals for the Harrisburg Section was to maintain the 137 members who joined our Section during the previous two years and to encourage 35 new members this past year.

As you can see by the Membership Thermometer on this page we did not meet our goal of 35 new members but it was not a result of a lack of effort. Thank you to all the members who were successful in encouraging peers, friends, or co-workers to become members.

Although we have lost some members we have been fairly successful in maintaining most of our members. The Harrisburg Section now has over 400 members. Hopefully these members will continue to enjoy the benefit of being an ASHE member encourage new memberships in the future. ☺

2002 ASHE Scholarship

Through the generosity of some of our Lifetime Member, Members' participation in our monthly dinner 50/50 drawings, contributions from the general membership, and proceeds from our very successful Annual Golf Outing we were able to award four (4) \$1,500.00 Scholarships this year.

We received sixty-four (64) applications and the Scholarship Committee had a difficult task in narrowing the highly qualified list down to the final four. The Committee was very pleased that these well-rounded applicants have chosen to pursue an engineering career. Hopefully these talented future engineers will decide to stay in Pennsylvania after graduation and become active members in ASHE, preferably the Harrisburg Section.

The four recipients of the 2002 ASHE Harrisburg Section \$1500.00 Scholarships are:

- Elise Marie Barrella (Trinity High School)
- Jason Aaron Brein (York Suburban High School)
- Michelle Elizabeth Doll (Dallas Area High School)
- Christopher H. Harris (Virginia Tech)

The Scholarship Committee Members this year were:

- Chuck Allwein, Chairman
- John Derr
- Mike Bougher
- Drew Bitner
- Doug George
- Sandi Loy-Bell

Hopefully the Scholarship Funding will remain steady so we can continue to aid aspiring engineers to pursue an engineering career.

ASHE 2002 National Conference

ASHE 2002 NATIONAL CONFERENCE An Intermodal ExpERIENCE AMERICAN SOCIETY OF HIGHWAY ENGINEERS

JUNE 5-9, 2002
AVALON HOTEL
ERIE, PENNSYLVANIA

It is not too early to be thinking about the ASHE 2002 National Conference to be held in Erie from June 5th through the 9th. The theme for this year's conference is "An Intermodal ExpERIENCE". Program Highlights include:

Tour the \$160+million East Side Access Corridor and its many intricate context-sensitive design features.

Preview the master plan for the bayfront area development by Erie/Western Pennsylvania Port Authority.

Discover what's new at the Erie International Airport/Tom Ridge Field, including a master plan of future upgrades to the terminal, the tower and a runway extension.

Explore the General Electric Transportation Systems plant. Erie's largest employer, GE, manufactures locomotives that sustain the rail industry throughout the world.

More information on the National Conference can be found at the following website address:

HARRISBURG SENATORS BALL GAME OPENING NIGHT, APRIL 12, 2002

ASHE – Harrisburg Section ate Dinner in the Upper-deck of the Picnic area at Riverside Stadium, where we enjoyed the pre-game ceremonies. Our own Bruce Montgomery sang the National Anthem and God Bless America during the pre-game ceremony and got to talk with Mayor Steven Reed.

All 109 participants then took their seats under the roof in sections 103 and 104 for a 12 inning game lasting until 11:00 P.M. The air was just a little cool that night, but everyone got to see an exciting opening game at Riverside Stadium.

Our guests from the Altoona Section including Sandi Ivory, National's First Vice President and next President, certainly enjoyed the game since the Altoona Curve won the game in the 12th inning. There were eleven (11) attendees from the Altoona Section. I want to thank all of those who attended the game from both Altoona and Harrisburg. I hope everyone enjoyed themselves.
