## Our President's Message

Wow, this year just flew by. I can't believe that it is April already and the ASHE year is coming to a close. Let me first extend an apology to everyone who signed up for the Charity Event that was scheduled for April 6th. We had 26 people signed up and that was just not enough to make having the event worthwhile. The Board will be making a decision over the Summer as to if we are going to schedule this event again next year.

Overall, I believe that it was a pretty successful year for our section. A huge portion of that success would not be possible without the hard work of the Board. Therefore, I would like to take this opportunity to thank them as a whole for their contributions. Every year there are certain Board Members that do a little more than others because of their position on the Board. These positions consist of 1st Vice President (Kathy Weiser), 2nd Vice President (Steve Koser), Administrator (Jenni Woodworth), Treasurer (Dale Mellott and Jere Sweigart), Public Relations (John Becker) and Profile Editor (Jere Sweigart). Every Board Member chairs at least one committee and participates on at least one more which contributes greatly to keep ASHE functioning properly for our members; however, these six positions require a lot more effort to accomplish their tasks and deserve special thanks for their contributions to our Section.

Some of the highlights from this past year included the tour of the Susquehanna River Bridge Project, which was very successful (We are looking at going back this Summer to check on the progress.); Secretary Biehler and Joe Link, along with several other prominent presenters, speaking at our dinner meetings; a very successful joint conference with District 8-0; another outstanding golf outing that once again

allowed us to award six (6) \$1,500 scholarships; presentation of awards at the Patriot News Science Fair; formation of the Younger Member Committee, which will hopefully encourage our younger members to become more active in ASHE in years to come; and a fun-filled Fall Picnic with co-sponsors ASCE and PSPE.

Hopefully there will be more to add to this list of achievements before the year

## 2006 ASHE - Harrisburg Section Scholarship Program Winners

At the April 3<sup>rd</sup> dinner meeting, we presented scholarship awards to six very deserving students from the South Central Pennsylvania area. Each student received a \$1,500.00 check to put towards his or her education in engineering. The money for the scholarships are raised each year by our section through the annual golf outing, the 50/50 raffle at our monthly meetings, and personal donations made by members of our section.

Scholarship Program announcements were mailed out back in November to 105 area high schools in the nine county area of South Central PA that we have historically included in our scholarship program (all of the District 8 Counties [Adams, Cumberland, Dauphin, Franklin, Lancaster, Lebanon, Perry, and York] and Juniata County - which a long time ago was part of District 8).

Our Scholarship Committee was chaired this year by Steve Koser, with judges Doug George, Chuck Allwein, LaConie Jackson, and Dave Snively. We appreciate the time they spent reading the 53 acceptable applications we received this year and choosing the scholarship recipients. The Scholarship Committee and the ASHE Board would like to thank the membership for their continued support of the Scholarship Program. Without your contributions, this would not be possible.

Scholarship Committee Chair Steve Koser and the 6 scholarship winners.

This year's winners are:

**Benjamin Ross Arnold** - *Chambersburg Area Senior High School*

**Benjamin Alan Frison** - *Carlisle High School*

**Casey L. Hines** - *Penn State University*

**Christopher Adam Kulish** - *Milton Hershey Senior High School*

**Jay Michael Shirey** - *Hanover Senior High School*

**John Thomas Trimmer** - *Red Land High School*

*Best wishes to them in all of their future engineering endeavors!*

*"President" from Page 1*

is over. We are still actively pursuing to have the "First Pinchot Road" monument restored. A special "Thanks" to Chuck Jackson who has been spearheading this initiative. And, finally, we are hoping to end the year on a high note at our Annual Banquet on May 12th. This year's entertainment will include comedian Kelly Terranova; and DJ Power House Light and Sound. We are expecting a large crowd this year, so make your reservations early. Reservation information is included in this issue of the Profile (My last official plug of the year, I promise!).

Overall, I have thoroughly enjoyed the past year and have appreciated the opportunity to serve as your President. My last seven years with ASHE have been both educational and entertaining. I have had the pleasure of working with several great people and credit ASHE with providing me with the opportunity to develop plenty of relationships with people that I now consider to be close friends. I would like to wish Kathy Weiser and the rest of the Board "Good Luck" for the upcoming year. If I don't see you at the Annual Banquet, have a great summer and maybe I'll see you at the Golf Outing, Friday, August 4th (I couldn't resist one more plug!). Thanks and take care.

## Join Hands Day

Making a difference.

### Adopt-A-Highway Spring Clean-up Saturday, April 29, 2006

Volunteers of many ages, including youth from several local churches will **JOIN HANDS** in recognition of Earth Day by helping the American Society of Highway Engineers (ASHE) in its Spring Adopt-A-Highway Clean-up of the I-83 Exit 43 (Front Street) Interchange in Harrisburg.

Interested members are invited to attend a complimentary all-you-can-eat breakfast buffet at the Eat-n-Park restaurant on Limekiln Road in New Cumberland. We will meet promptly at 7:30 a.m. at Eat-n-Park for breakfast, and then re-convene at the Riverfront Comfort Inn parking lot at 8:30 a.m. to begin the clean-up, which will conclude before 10:00 am. Trash bags, work gloves and safety vests will be provided.

This is a great opportunity to participate in an important community-building activity while helping to keep our highways beautiful!

Join Hands Day is a national volunteer day that brings youth and adults together to improve communities, build lasting relationships, and have some fun.

*Join hands – and generations – to help others!*

This event is sponsored by the American Society of Highway Engineers – Harrisburg Section in partnership with Thrivent Financial for Lutherans, West Shore Chapter. As a precaution, participants must be at least 10 years of age, and if between 10 and 17 years of age, must be supervised by adults 18 years of age or older; to have viewed a safety video, and to have signed a release form before taking part in this activity.

For more information, please contact Steve Koser at 717-545-4068 [stevekoser@aol.com](mailto:stevekoser@aol.com), or Nick Siegl, Records Director, Thrivent Financial for Lutherans, West Shore Chapter at (717) 763-7212 x2537 or [nsiegl@gfnet.com](mailto:nsiegl@gfnet.com)

The Century Club is comprised of ASHE members who have made a \$200 pledge to support the ASHE Harrisburg Section's activities. Century Club Members are prominently displayed in The Profile up to ten times a year. The Profile is issued monthly to more than 400 Section Members in South Central Pennsylvania. The Profile is also distributed to the Pennsylvania Department of Transportation's Central Office.

The Century Club is an excellent opportunity to gain recognition among your colleagues, while actively supporting ASHE. Call Jenni Woodworth of Pennoni Associates, Inc. at 717-975-6481, to make your pledge.

## ASHE Harrisburg in Local Science and Engineering Fair

On March 13th, Chuck Allwein and Drew Bitner represented ASHE Harrisburg as Special Awards judges at the Patriot-News Capital Area Science and Engineering Fair at Dickinson College. The Science and Engineering Fair is a yearly event that encourages local middle and high school students to create and submit a project that uses the scientific method to explore an area of science or engineering. This is the third year that the Harrisburg Section has presented four Special Awards at this worthy function. The judges found the students exhibits to be well thought out and constructed.

ASHE presented the following students with Awards for their efforts:

### **SENIOR DIVISION – 1st PLACE - \$200**

**Micah Toll** - *Cedar Crest H.S., Cornwall-Lebanon SD*, “Portable Constructional Beams”

### **SENIOR DIVISION – 2nd PLACE - \$100**

**Chris DiSanto** - *Trinity H.S., Diocese of Hbg.*, “Can This Can Save You?”

### **JUNIOR DIVISION – 1st PLACE - \$100**

**Evan Bensch** - *St. Catherine Laboure School, Diocese of Hbg.*, “Which Bridge Design is Stronger?”

### **JUNIOR DIVISION – 2nd PLACE - \$50**

**Joseph Pagliaro** - *Susquenita M.S.*, “Wheel Diameter and its Affect on Distance”

LaConie Jackson represented ASHE Harrisburg at this function as a Category judge with the Central Penn Engineering Week Council.
